about us:

Brothers Termite Pest Control & ECO Services was founded around in 2009. With spirit to help people and "love to work" attitude, founder created a future in pest control services for serving people. Brothers Termite is founded on hard work and outstanding customer service Brothers Termite Control Services is an industry leader in the Punjab. We have developed ECO & Human friendly green options.

We also offer the best termite control solutions. Always Active for Termite & Pest Control ECO Services Systems the Brothers Termite can meet the needs of even the most complex environments like the Food Factories, Industrial, Corporate and Government Sector! Let our trained employees free your home, business or other sites / premises from termite & pests while ensuring peace of mind for your family, customers, employees & pets safety & security.

Our team members are perfectionists and follow strict procedures to ensure the job is done right every time. Firstly, we identify the problem, then pre-start inspections. We search for entry points and areas where the pests hide and consider reasons for the infestation. After we have worked out how to solve the problem, we contemplate the plan of attack with your pest control and household safety in mind.

We openly discuss the right pest termite control & other service solutions for you and your family. After the job is done, we clear up the area. Generally, we take responsibility for our services come with different guarantee periods, so if the event that a problem arises, we'll be there to fix it free of charge.

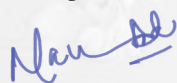

We also take interest in seeking out new products on the market that are effective and environmentally friendly so we can serve you better without compromising with your health and environment. Brothers Termite Pest Control & ECO Services use Third Generation Pesticides to which pests have not become immune.

Brothers Termite & Pest Control

High Quality with Cost-effective
Termite, Pest Control &
Water Tank Cleaning Services in Punjab.

Message from management:

We provide ECO and budget friendly reliable Pest & Termite & Cleaning Solutions for Domestic, Corporate, Industrial & Government Sectors. All the services we Provide are with different warranty periods. We also provide overhead & other water tank cleaning services as well as cleaning services for domestic & corporate sectors.

I hope you learn more about the qualities that make our company an outstanding provider of essential Termite & Pest Control Services. Brothers Termite Control is committed to being the best by doing things the right procedure on time, every time for Your Peaceful and Calming Life System, Stayed away from Pests and their Invading and Infestations in to Your Premises.

Many people do not realize the minimum requirements are so low. Most services require zero training or experience. Other companies send un-trained and under qualified technicians. This is a ridiculous and dangerous act. Our technicians are thoroughly trained in the principles and techniques, even if they have prior experience.

We constantly evaluate the products we use. In this ever-changing business, we are dedicated to selecting the imported or local made products that the best results while being conscious of our environment and customers.

I hope you decide to choose brothers termite control for your premises . Feel free for questions directly to me. I will do my best to see that you are satisfied with.
